

DeSalin AM

Cleaner against mold & microorganisms

Product Description

DeSalin™ AM is a powerful, water-based cleaner, against mold, ideal for indoor and outdoor surfaces. Strong action against fungi (mold), bacteria and microorganisms. It permanently protects surfaces from black spots in places of high humidity, such as bathroom, kitchens, and basements.

Recommended Use

DeSalin™ AM is ideal for painted or unpainted walls, ceilings, tiles, stones, and surfaces around swimming pools.

Advantages

- ☆ Water-based cleaner that acts against mold, algae and other microorganism
- ☆ Elimination of black spots
- ☆ Long-lasting, chloride-free solution
- ☆ The appearance and texture of the surface remain unchanged
